

## VAT Refund in Scandinavia

Companies with Head Office in the European Community as well as Non-EEC Companies are eventually entitled to a **refund** of **VAT** amounts invoiced for services bought in a EU country.

For all information about the **VAT refund** contact  
(see reply coupon below).

**Neurologic Sweden AB**

Neurologic Sweden AB will take care of the entire procedure until payment of your refunded amount. **VAT refund** can be obtained in Norway-Sweden-Finland-Denmark according to the local rules.

Neurologic Sweden AB is a member of a European network of specialists for an efficient collaboration.

**IMPORTANT** : the original invoice (Top Copy) is the only document which can be used to reclaim VAT.  
The original invoice cannot be duplicated if lost.  
All invoices for hotels should be issued to the company and not to private persons.

**Neurologic Sweden AB service fees** are degressive and are calculated by bracket sums of reimbursed amounts.

**The VAT refund procedure will be simple and easy for your company.**
